

MEMBER MEDICAL

Member Benefits*
 Dedicated to delivering outstanding medical care and patient experience.
www.membermedical.com

Affordable Urgent Care

Each membership includes five (5) Urgent Care visits per member, per year (\$10 visit fee applies), giving you access to medical care for every day illnesses and injuries like flu symptoms, stomach problems, sore throat, allergies, muscle strains, sprains, lacerations and more .

Care Concierge

Member Medical wants to do more than just help you get the services for every day medical needs. We know that you may need medical services outside an Urgent Care. We can help guide you to proven low cost, high quality providers and will even make the appointment for you, ensuring you get the care you need in a timely, affordable manner.

Annual Flu Vaccine

Having the flu is no fun. Plus it can mean loss of productivity both in your personal and professional lives. Member Medical is pleased to offer one free flu shot per member per year to help keep you healthy, active and at your very best.
